

Challenging Glaucoma Cases
3-point interactive event for Optometrists
Tuesday 28th November 18:30 – 21:00

Newmedica Bristol would like to invite you to our upcoming 3-point CPD Lecture event which will be held at:

**Newmedica Bristol,
720 Waterside Drive,
Aztec West
Bristol,
BS32 4UD**

This will be an interactive discussion workshop session covering the topic of “Challenging Glaucoma Cases”.

The discussion workshop considers three glaucoma-related cases in the context of a community practice setting which requires critical thinking and clinical decision making.

The discussion workshop will consider referral decisions, risk stratification and ways that community Optometrists can support the wellbeing of people under the care of a secondary glaucoma service.

Timings:

18:30 The doors will be open for registration, welcome drinks, buffet, and tour of the facilities.

19:15 Event will commence with an introduction to Newmedica Bristol led by Joel Seith, Head of Business Operations, followed by the CPD session presented by Mr George Kiousis, Consultant Ophthalmologist and Clinical partner,

The event will conclude by **21:00**

Seats are limited, so please book your place promptly [HERE](#)
