

## **BNSSG Enhanced Imaging Macula Referral Service: Mobilisation process**

Onboard practice and practitioners to Opera  
[Onboarding / Registration - OPERA \(optom-referrals.org\)](https://www.optom-referrals.org)

Complete EOI  
<https://forms.office.com/e/WVqEkRrMxK>

Complete test referral  
PES will check imaging and give green light to go live or support with further testing

Practice Live

Once practice is live, please ensure all optometrists in the practice know how to complete the pathway and all suitable referrals are going through the new service!
