

## Local Optical Committee

---

**Ophthalmology Update**  
**Thursday 26<sup>th</sup> January 2017**  
**Moorfields Eye Centre at Northwick Park Hospital**  
**Watford Rd,**  
**Harrow**  
**HA1 3UJ**

Brent & Harrow LOC & Moorfields presents this seminar to Optometrists to discuss (wet) AMD & Paediatric and Adult Strabismus.

The future of ophthalmic care is changing and much of this can be delivered outside the hospital setting. Moorfields Eye Centre at Northwick park Hospital are keen to continue to develop relationships with our optometry colleagues and how we can work together to provide the best patient care.

### Session Summary

The session will include a comprehensive update on AMD including an overview, monitoring and treatment and emerging treatments and pathways as well as acute strabismus.
