

27th March 2022

To all GOS Contractors and Performers in the Buckinghamshire LOC area

Notification of Annual General Meeting

The annual general meeting of Buckinghamshire Local Optical Committee will be at 8.00pm on 27th April 2022. Like last year, we won't be holding a physical meeting; instead you will have the opportunity to pose questions, nominate and vote for committee members, and vote for the resolutions, online.

According to the constitution, half of the elected committee members shall be local contractors (or their appointed representatives), and half shall be local performers. Elections take place at every AGM, and this year we will have vacancies for two contractors. One of the present committee members who has served his three-year term has indicated that he is willing to stand for re-election. However, one of the committee members (contractor) who has served his term has decided to step down. Note that only contractors and performers working in Buckinghamshire are eligible to vote.

The following papers will be available soon on the Bucks LOC website <https://www.loc-online.co.uk/buckinghamshire-loc/news/> : 2021 minutes; 2022 agenda; chair's report; treasurer's report; committee nomination papers. Within the agenda, you will find this year's resolutions and the link to the online voting form.

Completed nomination papers should be returned to the LOC secretary by 10th April 2022, after which the names will be circulated. If you wish to be nominated for a position on the committee and would like more information, please contact the LOC secretary.

Sonal Somaia
