

# We're still covering up!

## This practice is a healthcare setting.

Patients are asked to continue to wear a face covering while on the premises in order to protect those who are more vulnerable and who have not been vaccinated against COVID-19, and those providing your eye care.

Please ensure that you wear a face covering throughout your visit to this practice - or let us know in advance if you are unable to wear one. **Do not enter the practice if you have any COVID-19 symptoms.**
