

Practice Plus Group Surgical Centre, Portsmouth

Ophthalmology Services

We run an adult community ophthalmology service covering Portsmouth, Fareham and Gosport and South East Hampshire integrated care systems.

It is a single point of access for all routine adult ophthalmology referrals and involves triage, diagnostic and treatment services delivered by a multidisciplinary team.

We have exceptionally low waiting times and strive to see and treat your patients as soon as possible. We're rated 'good' by the CQC, have a 100% clean record against hospital acquired infections, and 99% of our patients would recommend us to friends and family.

We also offer a private service for your patients including a range of premium special lenses and flexible finance options to suit you. To find out more, please visit portsmouthsurgicalcentre.co.uk/private-patients/self-pay/ or contact our contact our private healthcare coordinator at teodora.beardall@practiceplusgroup.com.
