DIABETIC EYE SCREENING PROGRAMME

SURREY HEARTLANDS

Diabetes is the second largest cause of preventable sight loss in adults, so don't lose sight of your screening appointment and miss the wonders of the world.

From 1st April 2025, the Surrey Heartlands Diabetic Eye Screening Programme will be provided by InHealth.

If you use this service, you will be invited to your next screening appointment. You do not need to do anything.

Your screening records will be securely transferred to InHealth. This will be supported by NHS South East Region to ensure that your individual data and screening history is held securely and only accessible by the healthcare professionals directly involved in your care.

If you have any questions please email:
inl.enquiries.surreydesp@nhs.net
Or call the new Bookings line: **01483 359 060**
(phone line live from 24th March 2025)
