SpaMedica

GUILDFORD

SpaMedica Guildford Community Diagnostic and Treatment Centre,
10 Medawar Road, Guildford, GU2 7AR

BY CAR

SpaMedica Guildford is situated at 10 Medawar Road in the Stoughton area of Guildford, conveniently close to the A3. The site is easily accessible whether you are travelling from the north (London direction) or south (Portsmouth direction). If you are approaching from the A3, take the exit for Guildford/Woodbridge Road (A25) and follow signs for Surrey Research Park / Royal Surrey County Hospital. Continue along Egerton Road, and then through Gill Avenue. At the roundabout, take the 2nd exit on to Priestley Road. From here, second right onto Medawar Road. SpaMedica Guildford will be located on your left-hand side within the business complex. Free parking is available on-site.

BY BUS

The closest bus stop to SpaMedica Guildford is located at the Royal Surrey Hospital, which is a 9-minute walk from Medawar Road. This stop is served by the Guildford circular, number 5 bus, connecting Guildford town centre, Royal Surrey County Hospital, University of Surrey, and surrounding areas. Depending on your direction of travel, other nearby stops include those at Francis Crick Road and Blackwell Avenue. For the latest bus timetables and service information, please visit: **https://bustimes.org/localities/guildford-surrey**

BY TRAIN

The nearest train station is Guildford Station, located approximately 2 miles (around a 12-minute drive or 40-minute walk) from SpaMedica Guildford. The station provides frequent services with connections to London Waterloo, Woking, Portsmouth, Reading, and other surrounding areas. From the station, local bus services and taxis are available to reach Medawar Road. For train times and booking information, please visit: **www.trainline.com**
