

Thursday 18th April

17:30 – 20:30

Royal United Hospitals Bath
NHS Foundation Trust

An evening with the RUH Ophthalmology team

This will be an in-person event held at the Royal United Hospital Bath NHS Foundation Trust.

Speakers include:

- **Miss Freia McGregor** (Consultant Ophthalmologist with a special interest in Medical Retina / RUH Ophthalmology Clinical Lead)
- **Mrs Selina Tomlinson** (Consultant Ophthalmologist with a special interest in Paediatrics/Strabismus)
- Members of the optometry and orthoptics team

Sessions:

- Chronic red eyes in children
- MOLES grading: assessment and management of melanocytic fundus lesions.
- Orthoptic and optometry referrals and management.
- Q&A session with two consultant ophthalmologists with a specialist interest in Medical Retina – attendees will be requested to submit questions in advance

There is no cost to attend.

Parking is available on-site at the RUH.

Refreshments will be served on arrival.

Interactive CPD points have been applied for.

Eventbrite registration link to follow. We hope that you will be able to join us.

The RUH, where you matter
