Please provide a personal statement explaining any skills or experience that you feel may be relevant to help you fulfill your role as a committee member and what you feel you can add to the LOC

(150 words maximum)

I'm proud to stand again as a contractor member for the LOC I have represented for over 25 years. In that time we have gone from a body with 4 people attending an AGM to more than 10 times that number last year.

I have a track record of leading the development of optometry services locally, such as the MECS/CUES service which has brought tremendous innovation for local practices plus a very significant income stream; IOPRM, GERS & cataract services.

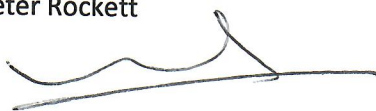

I've led in creating CPD initiatives including the annual CPD event & regular, relevant local CPD and am now assisting as the LOC becomes a more modern and accountable body.

Currently I am involved with new developments locally including the securing and distribution of substantial workforce development grants to local optometrists and collaborating with our West Midlands LOC neighbours and local NHS for further opportunities to develop our practices.

I agree to serve on the LOC if elected :

Name: Peter Rockett
